

Malmo

Enjoy total indulgence and style within the refined Malmo model. The Malmo's simplistic design features a sleek, flat edge, allowing for a seamless back to wall finish.

A modernistic tap ledge along the side and back of the Malmo offers a sophisticated and absolute finish to the pristine white tub.

- Minimal slimline edge design
- Generous internal bathing area.
- Discrete integrated overflow
- White clicker waste and slimline trap as standard
- Featuring a back to wall tap ledge
